

# Material Safety Data Sheet

## Section 1. Product and Company Identification

**Product Name:** Empty Capsule

**Category:** Pharmaceutical Excipient

**Company Identification:** Shanxi guangsheng medicinal capsule co.,ltd

**Address:** 5 Taixin East street, Yushe County, Jinzhong City ,Shanxi Province

**Phone:** +86 354 6638640

**Emergency contact:** +86 354 6638641

## Section 2. Composition, Information on Ingredients

The empty capsules are produced by gelatine.

## Section 3. Hazards Identification

No Hazards for touch, ingestion and inhalation.

No health and environment effect.

## Section 4. First-aid Measures

Not applicable

## Section 5. Fire fighting Measures

Carbon Dioxide, Dry Chemical Powder or other appropriate form.

## Section 6. Accidental Release Measures

Not applicable

## Section 7. Packaging and Storage

**Packaging:** The inner layer use medicinal low density polyethylene bag and outer layer is corrugated carton .

**Storage:** Under temperature and humidity controls, temperature :10-25 °C, relative humidity 35-65%. It should be sealed, defended from insect and rat.

### **Section 8. Exposure Controls, Personal Protection**

**Not applicable**

### **Section 9. Physical and Chemical Properties**

This product is cylindrical, hard and elastic empty capsule made up of capsule cap and body coverable and lockable. The capsule should be smooth and clean, uniform in color with plain incision and with no deformation or odor.

### **Section 10. Stability and Reactivity**

**Stability: stable**

### **Section 11. Toxicological information**

**No any chronic effects being found so far.**

### **Section 12. Ecological information**

**No data available yet.**

### **Section 13. Disposal Considerations**

**All local and national regulations should be followed.**

### **Section 14. Transport Information**

**Transportation applicable: sea transportation, land transportation, air transportation**

**International Transport rules: None**

**Domestic transport rule: None**

**UN's No.: None**

**ADR/RID: Not dangerous goods**

**IMDG: Not dangerous goods**

**IATA: Not dangerous goods**

**Suggestions for user: Transporting and storing under the control of temperature 10-25°C .**

**Section 15. Regulatory information**

**No data available yet.**

**Section 16. Other Information**

**Empty Capsule has been proved no offensive smell, no infective danger or any other danger when transported.**
